

## COTTON CANDY'S SURPRISE DREAM

On the night before her birthday, Cotton Candy curled up in her bed of soft pink straw with a pink satin pillow, and sailed away to Paddock Pals Magical Dreamland.

That night, everything in Dreamland was pink: the mountains, the clouds, and the lemonade. The Paddock Pals were all there, too.

Smokey wore a pink bow tie and couldn't wait to yell, "Surprise!" and "Happy Birthday!"

The Pals presented her with a beautiful pink sweetheart rose.

And guess what, when she woke up, that rose was on her pillow!
