What's the Poop on Cleaning out a Stall?

FUN
FACT

Let me give you the scoop on poop! Just like you enjoy a clean room to sleep and play in, a horse also needs a clean and healthy place to live.

Here are the tools you'll need and how to use them!

Cleaning or "mucking" the stall every day helps prevent bad smells, keeps a horse's home tidy, and most importantly, keeps us horses healthy and happy.

Alright, let's get to it. Then let's get lunch!

1 MUCK BOOTS to help you stay clean

2 A MUCK RAKE to pick up the poop

3 A SHOVEL to pick up dirty, wet bedding

4 A STIFF BROOM to clean walls and flooring

5 A WHEELBARROW to haul the dirty bedding to the muck pile outside

HOME SWEET STALL!!

6 CLEAN BEDDING to spread out in the stall and make it cozy
