

Truffle's Thrilling Hollywood Adventure Dream

One amazing night, Truffle fell asleep, standing up.

And before she knew it, she was on the movie set of an action thriller, doing all her own stunts.

She had to gallop down a mountain, jump over a bear, avoid a stampede of charging cows, with their bells ringing. And ringing loudly. Just then...

She heard all the Pals heading for breakfast, and she woke up. The breakfast bell was ringing—and ringing loudly!

Coming soon, another fabulous adventure in Dreamland!
